Anatomy of the Human Mind Course

Success Through Communication Route

Hubbard Qualified Scientologist Course

Teaches basics of Scientology and how it can be applied to increase one's ability to handle situations and people in life.

Success Through Communication Course

Improves the ability to communicate as by teaching the exact and precise skills of auditing and controlling communication which can be used for many purposes.

Life Improvement Course Route

Hubbard Qualified Scientologist Course

Teaches basics of Scientology and how it can be applied to increase one's ability to handle situations and people in life.

Success Through Communication Course

Improves the ability to communicate as by teaching the exact and precise skills of auditing and controlling communication which can be used for many purposes.

Life Improvement Courses

Scientology Introductory Auditing Route

Scientology Introductory Auditing

Introduces one to what auditing is and can do for someone, resulting in a personal reality that Scientology really works.

Includes:

Assists, which can help to relieve the physical and mental trauma from injury or illness.

Introductory and demonstration processes, which give someone a reality of what Scientology auditing is and can accomplish.

Group Processing, which consists of auditing procedures done on groups that can increase the individual's ability.

Purification Route

TRs and Objectives Co-Audit Course

Teaches Scientology basics on communication and TRs (Training Routines) drills on application of the communication formula in life and in auditing. Trains a person on the auditing techniques to deliver Objective processing, enabling one to audit these processes with another leafled "in auditing" and gain the ability of "oriented to the present time of the physical universe.

Purification Rundown®

Enables someone to attain freedom from the environmental effects of drug residuals and other toxins.

The Way to Happiness Route

Happiness Rundown®

Clears up any confusions on the subject of morals and shows the person in a direction where he is certain he can live a happier life. Prerequisite: Drug handling or determined by the Case Supervisor.

The Way to Happiness Course

Teaches the knowledge one needs to achieve a greater happiness for himself and others.
