

V-3

lating faster and the system warmed up.

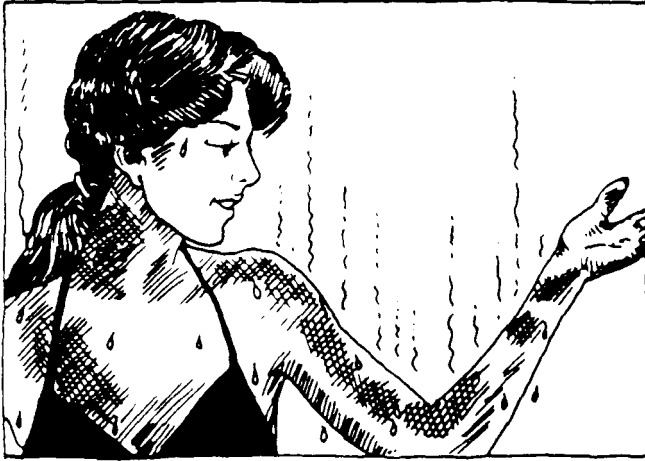

deposits.

The blood circulation then goes deeper into the tissues where the harmful deposits are trapped.

"I used to get 'clouds' in my head and feel not completely able to confront things. Now I can see so clearly it's wonderful. This program is incredible!" -S.E.

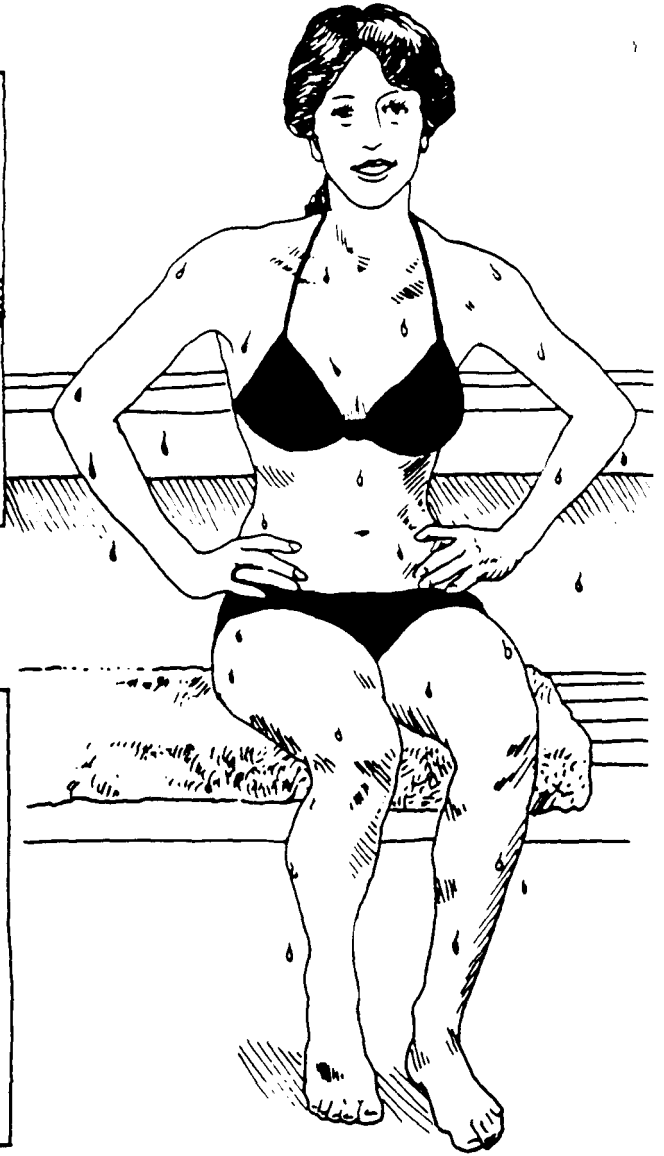

Some persons report that while doing the program

past sunburns "reappeared,"

lessened

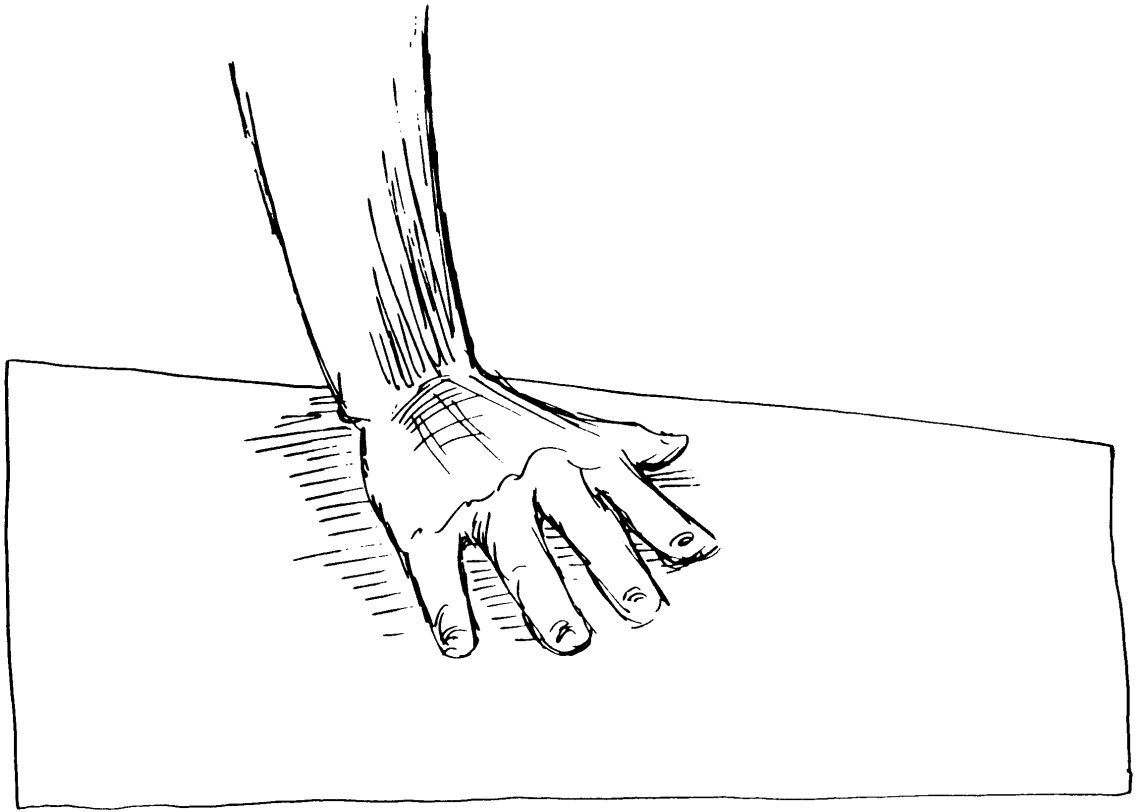

and left completely.

"On the program, I turned on a flush—like a sunburn—
with a bathing suit outline. All of this then blew, I
woke up this morning much more alert and brighter
than usual." —S.M.

TOUCH THAT TABLE.

Later . . .

Later . . .

MAYBE YOU'RE RIGHT,
BUT WHAT BETTER IDEA
DO YOU HAVE?

PLENTY. I'VE BEEN
WORKING IT OUT.
