

**INN AT EAGLE CREST MARRIAGE RETREAT**

You are invited to "Love Takes Time" Marriage Retreat, March 8-10, 1991 at the five-star Inn at Eagle Crest located in the heart of Central Oregon.

After 20 years of research, and studies from hundreds of people, we have isolated the marriages that were remarkably successful and have identified the characteristics, habits, and beliefs of couples who are not only content but also report much happiness and major satisfaction from their relationship. During this seminar you will experience the secrets of years of research on relationships, such as: men's needs/women's needs and understanding your mate; developing marital oneness; how to stay lovingly committed to each other; positive crisis management; developing your love life, and more.

Some of the activities you may enjoy include: golf, tennis, pool & jacuzzi; biking, fishing, skiing, full Sports center, and much more. Located just miles from Redmond/Bend airport. Direct flights in and out daily from Seattle, Portland, and San Francisco with Resort Shuttle Service. Whether you are just married or have been loving for fifty years, you will enjoy this honeymoon experience.
