Flag Ship Trust

Gentlemen:

On behalf of Church of Scientology Celebrity Centre International ("CCI"), I hereby request a grant to be used exclusively for the religious purposes of Scientology as described herein. As you are aware, CCI is a nonprofit California religious corporation organized and operating exclusively for the purpose of furthering the Scientology religion, and more specifically to forward the expansion and popularization of Scientology through the Arts and to serve as the senior Church for Celebrity Centres located throughout the world.

CCI is requesting \$273,980 to assist in the renovation of its premises known as the Manor in Hollywood, California. The Manor, an officially recognized Hollywood landmark, requires extensive renovations so that it may be used both as a residence for visiting Scientologists and for the carrying out of our religious activities.

CCI, as a condition of receiving the grant herein requested, is willing to take whatever reasonable steps you require to assure that the grant is used only for the exempt religious and charitable purposes described in this request.

Sincerely,

CHURCH OF SCIENTOLOGY
