

TRANSCRIPT OF MEETING BETWEEN J AND GA
ON 7 NOVEMBER 1984.

(Come into picture together and sit down on a park bench)

GA Good place?

J Yeah, I think so. You like it?

GA Yeah...Fine

J (Extending hand) (Inaudible)

GA Yeah (Inaudible) (shaking hands)

J Been a while, been a while.

GA Ah, I have to leave by 2:30 (looking at watch) so we've got that long.

J Wow

GA OK? That's OK.

J We've got a lot of ground to cover. That's OK. We'll get there.

GA That's OK. We should be able to cover everything really quick.

J Yeah. OK. First (inaudible) Kind of like dealing directly now and I'm going to give you what I've got and I'll get what you've got and take everything back to the committee so everyone's in agreement and everyone knows everything.

GA Good

J Sound good with you?

GA Yeah.

J OK. I've got a bunch of stuff that you requested so we can go over that.

GA Good

J Compiling a little agenda here. And you had a message for me. (Inaudible question)

GA Well I had... I just more or less put together our perspective on this whole thing because it's been going on (inaudible)

J what

Ex. III-10-Q

- GA Verbally in any case let's go over that now. This is Mike's perspective. He sees the whole thing...-
- J Mike and you went over this?
- GA Well, this is how Mike sees the legal battle is going. What he sees there's no other way. Like, it is going to happen sooner or later. You know. Cause there's like a last skirmish going on and that's about it.
- J You think it's going to be wrapped up pretty soon, you mean?
- GA Yeah, well no-one really is getting too concerned about it any more. Their credibility's shot in all quarters. There's no.. There is no credibility left. There's... They're simply being bled by some unscrupulous attorneys. That's all that remains. However, about the details. Ah, his feeling is that a couple, handful of right people with affidavits can end it. Just end the whole damn thing.
- J Wow.
- GA He feels (inaudible) and all the things that are going on, you know it will take a little PR to do it, but it takes someone standing up and saying hey listen, troops, you know, here's what's going on. He sees it as that. But he remains absolutely confident about Canada. I don't know what the latest you have on Canada, but yesterday and today I guess it was criminal contempt, that they brought against the prosecutor...
- J Right. I hadn't heard how it came out.
- GA Casey Hill. I don't know on that. You know, it's sort of the last brushfire.
- J Right.
- GA It's that kind of a thing. They say they've got such a tight case, they've got 29 people they're going to indict, indict, and then will begin the warrants. They're going to have them served over here. They're going to have them picked up over here. You know, they'll be running.. the Feds, whoever is delegated, whoever accepts the hat, as soon as they're ... they have a treaty obviously, it's just got to be a Mo and Jane thing, the locals...
- J An extradition.
- GA Yeah. The US authorities will serve these people, and pick them up, and when they pick them up, they've got to, they take them away and do whatever they do, fingerprint them, it's a criminal thing. (Looks behind him.) And at that time they've either got to go into hiding, which... likely, I really don't know, you probably have all the news and I'm just boring you to tears. And I have alot of questions. If you have questions of me I can answer,

I can answer them.

J Let's. That's pretty much what the scoop is. Let's just go through them briefly (inaudible). I'm amassing all these puny, futile campaign, effort to regroup. (Reading from piece of paper and GA giggles).

GA This is a deletion mark (point at the piece of paper), so you have to delete, delute campaign. Move onto the mind (stretch group?)

J OK

GA This very simply is just I see. This just lays down in my opinion all the things that are going on, how irrevocable the whole thing is, and you know, it's kind of time to act. But again, you people probably stay more up to date on the legal actual events than I do, but never before has there been cases that have had to come to trial with in the next year, there's just shitloads of them.

J OK

GA (laughs) OK

J Good enough. Let's go over this stuff, yeah?

GA What a nice folder.

J This is the thing that got passed out at that big event. You heard of that?

GA Yeah, the ah...

J You wanted I HELP stuff.

GA Yep. (starts making notes while looking at the doc J is showing him)

J And I have a whole bunch of documents here and samples of different kinds. I can give you these.

GA Good (laughs) This is ... ah like a kid in the candy shop

J I hope I got what you wanted here.

GA Oh, so far we're looking great.

J OK, you want to take a look at them. I haven't really studied them closely but maybe I can help you answer any questions.

GA You know, I won't waste your time right now with going over all of this, because I know as I go through it and study it and study the legalese, I'm going to have a lot of questions. Mike's going to have a lot of questions, OK?

J yeah.

- GA To ask the questions at this point before I digest this stuff, it doesn't make any sense to me.
- J Great, now...
- GA But...
- J ... I need to know, like, what your strategy is regarding these type of things and what we're looking at doing. (showing him docs)
- GA Well, I got a view, of course, from you, of course, that someone, at 13:57, considered that I HELP was you know, their Achilles heel, as it were. (laughs) So we thought, shit, shouldn't I get some I HELP materials, so hence I asked. Now issues, I wanted to know number one, how they're run off, what the type face is like, are these like this? You know...
- J These are the real McCoy's.
- GA You see, because I think that during a part of this, we can simply create these, you know, I can create documents with relative ease (laughter), you know, I did it for a living! (laughs again)
- J (laughs) Great, so what kind of stuff are we going to want to create and who's going to get it...
- GA That's what we need to talk about!
- J Yeah, that's what I want to know, what's the input from Michael on it. How's it going to tie in with what he's doing and what the other people are doing, and....
- GA That's what we need to get...
- J ...and what do the agencies want on this?
- GA OK. Well, the agencies have asked for some specific things, that's all they've asked for. Now....
- J Let me take notes, what have they asked for?
- GA Well they've asked for specifically now some of the things you've already answered and I've already passed on. The names that they mentioned (tapping his palm with his other hand each name mentioned) Marlowe Reynolds, Doug Ray... we talked
- J Now who wanted this?
- GA CID (leaks around intently while J is writing)
- J Got it
- GA Now, do you want a number in CID?
- J Yeah

5

GA Your people should call any problems, just call this guy. He's in my opinion a pretty straight guy. (looking through his papers)

J He knows about the Libertists, what we're doing, stuff like that?

GA Yeah, basically, yeah.

J What exactly have you told him and what did he say?

GA I've told him, until he feels that, he keeps saying "When are these guys going to talk to me, I'll meet under any circumstances."

J Wow.

GA He wants to talk. You know, wait a, let me get, (reads) "Al Lipkin, 313-688-4260". At night.. (train passes behind them and they both turn and watch it, it's blowing it's horn, neither speak as it passes)

GA This is really great. How far is the track? Is it a long thing?

J I think (they talk about the train and if it goes through zoo)

GA (resuming reading) "At night 688-4151". I believe that's

J That's his home?

GA I don't think so, I believe that now...

J This is CID?

GA Yeah, I believe that's how he can be reached. I'm taking a fuck of a chance doing this (laughs). So are you! But there is alot of

J What does he need from me, what does he want, or is it just back-up, for what I need.

GA Well it ties in-he would like to get everyone to talk so that they can move! But, but at the same time, I always say to him, "Listen, you're putting us in an uncomfortable situation. If you're telling me you haven't got enough to move right now, and I'm giving you the testimony, then I'm a marked man if you guys back off the investigation. He said... The reason I do that is not because I'm particularly paranoid but because I'm searching for what's going on in their skull. He assured me the investigation's going forward, "we've got enough, that's the way the government works."

J Listen (gesturing) the bottom line here. I'm not aware of any crime the Church is committing right now. We've looked, I mean... like realistically.

GA How much are they paying PI's? Illegal expenditures.

Illegal expenditures!

J Right, we've looked at that, we talk:3 about that at the last meeting, but...

GA Right.

J I mean, uh... These people have apparently corporate power to spend this money, I don't see how that's breaking the law. We're not talking what they were doing in D.C.

GA Nooo! (protest) Illegal expenditures! You see. It's kind of like... Yeah, these people have the power, that's it, that's the whole thing, they have that power (banging his pen on his paper several times in time with this speech) and they're abusing it so that's why we're saying "Enough!" And that's why we have this law suit. See, all it has to do with is money. It has nothing to do with "Did they shoot Billy Joe?" No, it's "Who's using the funds of a, what's the word they use "a charitable corporation." You guys are a charitable corporation, right? Who's using the funds of a charitable corporation to, what? Entrap, to destroy someone's reputation, how are they doing it?

GA Look at Freedom, look at the whole Flynn escapade, that's it, that's the key! They overstepped the the fucking bounds. They don't have any proof. So you, (flips his hand), they don't have any proof! (Pauses for moment, flips over hand in emphasis) Do they?

J Well, uh, my understanding is when they do these Freedom things they've got interviews and they get all of this, there's no breaking and entering going on, there's nothing like that going on, (sputters some words.) The thing is ...

GA How much have the PI's been paid?

J I imagine lots.

GA You see, that's the whole point.

J I mean for the last number of years, everything that these guys do are run by attorneys. I mean, they've got banks of attorneys checking all the laws, all of this, what we're talking about, you know basically, they're not breaking the law because they have the attorneys checking everything. Before these Freedoms go out, they check the law of libel, the law of this, that you know what I mean.

GA I understand.

J So it's like we get into areas of law I don't, and the Committee, if I can say, from our end we don't see that.

GA You don't see what?

J Blatant criminality.

GA I understand, it's all done... it's anyway... look at it just, I understand your question. I don't see it as a problem, like you see it as a problem. I see simply that an organization can not do that. (Emphasizes "can not do"). You cannot simply take people's money and use it to destroy someone, it just doesn't wash. You can't say "I'm a Church and now let's go kill him!" (gestures a lot). You can't... anyway ... that's the whole... I understand what you're saying, and I'll send it back down the lines...

J Yes, you tell Michael that's what we're sitting with, we don't see it and we can't see how that's going to go, if it's drilled in, ever since the Raid, no illegalities, no illegalities, attorneys, attorneys, attorneys, and they say, you know...

GA Where's the money? Do you guys know where, how much money has gone to the attorneys? For what (voice rises). They're fucking bleeding you dr...bleeding you! Surely the congregation has the opportunity to stand up and say (arms open wide; voice high pitched and loud) and say "It's our fucking Church and our money!" Otherwise, you're saying, well, shit, it's totally legal? You're saying...

J (tries to interrupt)

GA ... it's totally legal. Yeah, we can buy a house of prostitution in Nevada, it's legal, but you can't use the Church bucks for that, asshole! (gestures sharply) That's the way we see it you know. It's kind of like, illegal! Fuck, if I, it's the logic. That kind of the way, (speaks more calmly) and I think the complaint was tailored in that way, wasn't it? Didn't go into like any heavy crimes, just this much money...has been... re these things.

J The suit the Loyalists had filed...

GA Right. You guys have information I understand regarding the payment of money down in Florida, right, to someone, okay, they weren't planting drugs and hookers on old Judge Frisbie, but they sure did pay for the god-damned boat, they paid the PI's and they made some recordings, am I correct? (pause for answer)

J I don't remember that. They do pay PI's lots.

GA Exactly, that's the whole thing. Enough.

J Inaudible; something about legal expenditures.

GA (voice rising) But the whole point is these guys are being indicted... you see, you can't...

GA Hub?

J What are they being indicted on?

GA Well, probably fraud and they're about to get Hubbard probably on tax court... (seems to choke slightly) fraud. Not paying his taxes, failure to file a W2 (laughs) whatever it is... I don't know!

J See, what doesn't fit in our mind is like, you know, Hubbard has got attorneys, tax attorneys, he's had for years... And he has all these attorneys to make sure...

GA (lifting his hand) You know what (keeps J from interrupting) you know what, this is the way it is, it took a long, kind kind of a long time to learn, you know, (lifts hands) I could be all wet! Maybe it'll never go! All these things could happen. But there's a big difference between law and justice, and they're always in the law. But it's not just. (lifts hands) You know... you can do things within the law but they're not just. You know...

J Okay... (GA interrupts)

GA Their PI's were always in the law, he was always in the law, right?

J Right.

GA Except G. Armstrong is going to get a fucking big award because they did it. Because you just don't harass people that way. You, you don't take Joe Citizen (pointing off) who's got zero money, you've just robbed him and then you turn the weight of that organization with a bunch of fucking meatball PI's against him. You know.

J I got it! Okay.

GA It's law and justice. And we're saying "Fuck it, it's unjust!" And that's what I think. Somebody's got to stand up. It doesn't really matter. Anyway, I think the swap of information is very vital and I think if we keep going along, you know, the more things happen, the more there is, the more we're in control of this whole this damn thing. Because the fact is, we're out here and they can't hear this shit. They gotta hide. Miscavage is hiding. Right? You don't see the fucker around! So now you've got...

J Well, you're not hiding!

GA Hub?

J You're not hiding.

GA Fuck no! And...

J You're not afraid are you?

GA No! And that's why I'm in a fucking stronger position than they are!

J How's that?

GA Why, I'll bring them to their knees!

J What do you think is going to happen?

GA You mean, what's my prediction?

J Yeah, what's your prediction? And how...

GA (Pauses and shrugs and then speaks in a much lower voice, subdued.) That they're going to lose in a whole bunch of jurisdictions. They're going to lose, they're going to lose, they're going to lose (tapping his palm each time he said it). And they're going to start losing (shrugs) 1988. They only even have to lose one, and attorneys all over the country are going to jump on the fucking bandwagon. And watch, you know, all of a sudden you've got precedents being established, which are incredible. The organization continues on with its kind of band-aid philosophy. Slap a band-aid on. Aw shit! Rip it off and slap another band-aid on. Meanwhile, life happens to be marching by and they put all the band-aids on about all the law suits they can, and it's coming to trial. They took a bath in Armstrong, they took a bath over in the UK, they took a bath in the tax case, they're about to get burned in Samuels, because they're not going to be allowed to intervene and when that happens Hubbard's going to be defaulted and pretty soon you'll find Martin Samuels selling you Dianetics books because he'll own the copyright, because it's already been adjudicated that the organization is L. Ron Hubbard's alter-ego! In Armstrong! And they're collaterally estopped from proceeding even on that issue. Oh, they'll bob and weave for awhile, but they're going to get slapped down. Pretty soon, Tamimi's going to be extradited. Now, Tamimi himself of course is an interesting paradox. You'd think this guy has some substance, and yet here's this, here's this (tape goes silent at 19:45 minutes, although picture reception continues.)

J and GA look through some papers J has. GA continues on talking and talking. At one point, GA riffles the papers on the bench, while continuing to talk, but not reading the papers; He picks up a piece of paper once and shakes it. (Sound goes back on at 21:45)

GA (in middle of sentence) ... again, I don't know your people's position in the organization, but I see that policy is the thing that is handled at the top, so if someone wants to change policy, if you see a conflict in policy, you can write up a CSW to change the policy and that policy goes up lines. I assume you can still do that in the organization because there's policy to cover it.

6:00 CA Hi.
J Hey man. I like this place.
J They're throwing money at us.
CA Where'd it come from?
J A lot of traffic coming up?
CA Yeah. That's why I'm late.
J Train still here?
CA Are we going to meet the young lady?
J Yeah. We can do that. Did you bring any drawings?
CA Which kind of drawings? Oh my drawings! Yeah, yeah, I brought a bunch.
J That's great, that's great.
CA So, tell me what's going on.
J Excitement, excitement.
CA Is it really?
0:00 J Yeah, yeah. The general mood is like we're going, and we're going fast and there's just exuberance. You got something to take some notes, I want to give you some stuff.
CA Oh shit. Hang on, I'll get...
J Here, I'll give you something here...
CA You got a pen as well?
J Would you rather have your own notebook
CA No, this is fine. Give me that paper and well, I think things are accelerating. Boy. You know I was photographed eh.
J Yeah, Danny told me.
CA He had a blue car, light blue late model, boxy looking thing, I think a white ton, ah license number DD something. Three org guys.
J Where'd it take place?

J That's what Al said?

20:00

GA That's what I said, and he said, that's the best protection, that they've got initially. He said, ya know, beyond that let's - just keep in touch on a real close basis, I called him last night after work 'cause I had some more thoughts, and I called him again this morning you know, I'm on the phone to the guy, real tight, and I don't know, but they're the best the government's got to offer, you know, and if the government of the United States can't take on these little assholes down there we're really in deep kaka.

J Got it. Ok, let's finish on the documents and then get back to Al Lipton. Where were we on that.

GA On the documents?

J So I gave you att....

GA You gave me a whole bunch.

J A whole bunch. And you looked at the type styles and that kind of stuff. Right?

GA Yeah

J You know how to ...

GA You're not wired are you?

J No.

GA OK. What are our conversations, should it come down to it?

J What do you mean?

20:00

GA What do we talk about. You're deposed. You walk out there, and there's a PI hands you paper, saying you're deposed Jack, and not only that, you're out of the organization. And And what do you say in deposition. Well, Armstrong and I talked about this, and he had a whole bunch of ideas about how to infiltrate the communication lines and spread turmoil and disaster, you know. What are we doing here? That's my turmoil and disaster, you know! What are we doing here? That's my question, before I tell you my ideas on documents.

J Well, what I got is basically loyalists gotta, we gotta save we've got the suit coming up and I guess we need each others lines to get stuff going.

GA Yeah, you do, and I think people should talk to Lipkin and I think we should make it as soon as possible to do it, and I also think that... I've got a request into a couple of attorneys now...

20,000 bucks up front, and they said they could have no idea coming up with a lawyer they're trying to find at this time what lawyer makes sense, now maybe you guys have got one, seems like you haven't. As an important aside, Dave 22:00:00 Jordan called up Mike Flynn today, remember Dave Jordan called Danny a while back?

J Yeah.

GA Dave Jordan spoke to Mike, mentioned the name Dan Sherman, and said that, at least Mike got, that Jordan thought Dan was a double agent. Now, maybe Jordan doesn't know about, doesn't know enough about what is going on, maybe he is a triple agent you know what I mean. Who knows what but in any case, it seems like if Jordan is talking about Dan, perhaps something is going on. You know what I mean. You guys should know that is going on. Now, maybe Jordan's in your pocket, I don't know, I have no idea, but I wanted to pass that on...

J Jordan's not a loyalist.

GA He's not?

J No, I don't know everybody but...

GA OK. So as far as the doc... Let me just say, ah, you and I get together, we get together because I have a goal of global settlement. You have felt that the turmoil and abuses and so on have gone on too long.. Hence we get together and discuss things. We have not discussed anything about a destruction of the tech, or Scientology is bad, or anything like that. Are we agreed?

J Yeah

0:00 GA There's a radio, that's a state car (watching car passing by.) So it seems to me that the use of the communication lines, I don't know maybe you guys are using them, but it seems to me that you don't have a way of printing anything to get an issue on the lines, used for anything. Right? I'm saying that I can do it. I can type those goddam things and duplicate them and make them look exactly the same. You can't, you would not be able to tell the difference. You know, maybe under a microscope you can tell the type faces you know, this one's got a little crack on the T and this one doesn't. You'd be able to tell that, and they will know, but that happens to be, that only happens to be one little tiny piece of it, you put out another issue the next day for a totally different purpose. You guys are going to need to put out issues, when this thing happens, you get to inform the crew. You should be preparing, right now, in my opinion, goddam affidavits that I can be, that we can put into a computer, and have run off and ready to go. I can write-- I write legal shite, that's why I want to know your best level mind, I'd like to talk to 'em. Maybe you're it, I don't know.

J I'm not it, no.

GA OK. But I'd like to so we're really in sync on this thing. Same as the overall best mind. I have no compulsion to..you know I'll talk to them through... around a corner...I don't have to see anybody... but I really want to know that we are in sync, and that we're using all the resources that we can. I don't know, what you've got. I'm telling you basically what I've got.
26:00:00 One thing I have got is mobility.

J We, we can put the C.S.W. together, we can handle distribution.

GA That's exactly the sort ...the CSW is the greatest weapon you guys got. You know, the CSW about the situation with the PI's given that someone is in a position that they would be doing such a thing. I think, you know how about if, I've got a letter that Eugene Ingram works for L. Ron Hubbard, you know, OK. OK, then you say, well let's say you guys have the information somewhere that Brackett Denniston, of the US Attorney's Office, felt that this whole thing was a set up, and then you say, well we can't have that problem, here's this letter out there saying that he works for Hubbard, we can't endanger the source. We have to act. So, therefore here's my proposal, and just the fact of having that goddam proposal of some guy standing up and saying I've got to defend source, you've got such incriminating information in the CSW, you follow? Even if they responded at all they're acknowledging that this is, that's true.

J So we put a letter together sayin' that...

GA I'm saying a CSW and you keep your copy of the CSW. They're goin to come around hunting, where the fuck is it? Ah, shit, get rid of it all except you've made it off the property and you've got it somewhere, type it off the property and bring it in, never there's no problem bringing stuff in. Right? You could bring stuff in, and maybe you can't sit at your desk and type it, I don't know, I don't know the demographics and the geographics and anything else in the place, but it seems to me that it's a much more high security deal than it was as I right?

J Yeah, a little difficult, just, in getting things typed, - typing, you're sitting typing, and typing things out...

GA Exactly...

J ...and someone walks in, "What's happening here?" What are you going to say?

GA But just maybe that sort of stuff can be done, issues could be created, stuff can go in. But, I mean I'm not really saying create, incriminating evidence of which

Transcript of 17 November, 1984
Meeting between Mike and GA.

M Got your dollar?

G Yeah, how're you doing?

M Very good. How are you?

G Not bad. -

M Finally.

G There you go.

M You going to give that back to me?

G If you like.

M Listen I think I need it more than you do, I think.
(Both laugh).

G Got it. Go ahead.

M So, here I am. Now, I guess you're probably gonna want to know a little bit about why me. But, ah, the reason I wanted to meet you is because we're a little concerned at this point at the fact that, you know that stuff is being relayed through this relay point and you know that there may be some misduplication occurring and shit. And I want to get the straight scoop from you. I also, I brought this draft suit because I want to go over that with you, because there are some points that, well, I have a little concern about some of those. About how we're going to handle that. If we were to go ahead and bring that how it would actually come out. But, at certain, at certain times we really need to, to ah, get the real scene, what's really going on. So, I'm gonna, I have a comm line to the rest of the guys. Joey doesn't have that. So, I can be a more direct relay point, because this has been going on now for some time.

G There's a lot of things that I'd like to work out. Which I think will make things a lot easier. First of all the complaint itself that's not set in concrete, you know ...

M No, no, I understand.

G And, a lot of issues keep coming up which kind of broaden the whole thing as far as I'm concerned. Ah, last time I met with Joey it was just the girl. And, ah, at that point I was basically given the go ahead to locate an attorney. I don't know if you guys have an attorney, I don't know what the status of that is. However, when apparently the money fell through, or whatever happened, I did not have a named three attorneys and I'd be willing to do that, but that's kind of the last thing I was left with.

M Right.

G My understanding is that it's sort of up in the air, the whole thing. And that's OK, I don't have any compulsion to do any of it, you know. My opinion of the organization is that it's in a state of transformation. It has to be altered and it is altering itself and it will continue. We happen to be in a situation right now where something good could come out of it. That's philosophically where I stand on it. I don't want to continue on a legal battle against anyone...

M Well, that's exactly what our position is on that. I mean

M -Ya, but do we have to, do we have to find someone that has personal knowledge of that in order to get an affidavit of those things?

G How much was paid to Ingram?

M I don't know that data yet.

G Who paid?

M I presume the attorneys paid him.

G Ya, but it comes from your money.

M Right, so then it would be how much is paid to the attorney, I mean that's what we would want to know.

G Who gets an accounting of , you know, your board members, your fucking board members. Your guys on the board and you can't find out? Those are the people who should be signing it, who should be doing it-

M -ok I'm not asking about whether they can find, but whether they need to in order to be able to do this. Do you what I'm saying' its like-

G They can allege it. They can allege it. They don't even have, they can allege it.

M So they don't have to like, they don't to have you know the document sitting in front of them-

G -They can fucking say the organization destroys the document.

M I see.

G But you can simply say, you know upwards of millions of dollars have been paid. And, fucking attach a god damn, if you attach Freedom and say the whole thing is a crock of shit, that, fucking, you know, a crock has to look at that seriously. You know the fact that, you know, how about, how about whole, mailing list, can you get mailing list? Who got Freedom, who much was paid for Freedom , who was it sent to? How about these issues being put out on, on people, who gets them. How much money is , is spent on that shit?

M That all going along this same line of-

G -the fact that organized, number one there is, you have to say there is a, a conflict, a disagreement about control of funds. Number 2 we're requesting that the assets be frozen immediately. And the reason is (knocks on something) this and this and this. Organization, supposedly this religious organization is spending non-profit funds to destroy someones reputation. They are paying private investigators millions of dollars to destroy someones reputation. Fab-, with fabricated evidence. You can allege that. I have alot of faith in Mike Flynn, you I really don't know one way or the other if the Timimi thing is bull shit. But I've also spoken to the US Attorney, Deputy US Attorney in Boston and every thing I get from anyone is they are going on the bases that its bullshit and will uncover it sooner or later. They are trying to extridite Timimi right now.

M That would be a real PR coup.

G Yeah, but I'm saying ... you guys can allege it. Now also, I mentioned to Joey last time, I don't think that anyone has to get into a frame of mind where if they don't file this thing two days following the indictment ... like they have to take a big loss on it. I wouldn't ... you know, within your group I would let them know that, you know, the timing is not that critical, it's more sensible that everything be well done and well prepared and well thought out.

M Right. I completely concur with that. I mean ...

G However, it's ... you know, I would not delay years

strange voice comes and asks something.

M No thanks.

G So, ...

M Ah, yeah.

G Just so that the boys inside, don't take a big loss on oh fuck we didn't do it, and you know, the indictment's happened. It can be done, but it should also be ... I think that something should happen within the next couple of months. You guys should be fuckin' get affidavits. You you, probably the boys - some of them aren't writers. Right. It's a real pain to fucking ... I know, and I've written ... But it's all of these things, it isn't just organizational, there's all the personal conflicts and there's all the egos that are all involved, and the whole thing.

M Right.

G And, but, you know, get me what they can ... and part of what I talked ...

M What do you want to do with them?

G I want to fucking see what, what can be done, otherwise ...

M You want to sit down and just kind of go over it, and go over it ...

G I want to fucking go over it, I want to have them and I want to give them to an attorney. I want to talk to the girl and I want to set up an office and I want to set up a separate corporation. I want to set up a corporation which is, which will act as outside the organization, a clearing house for improving conditions inside. Just the same way that OSA is currently requesting all these knowledge reports set up an office somewhere and hire the organization's own mailing lists, get knowledge reports on the guys at the top.

M I dig.

G With the intention of ... there's so many things that can be done ...

M I dig

G And I want to set up with her, you know, an office, so that so that, you know, you guys sit ... you don't all have type--writers, right?

M I don't think there's too much problem getting access to a typewriter, but ...

G Well, I don't know ...

M Yeah, but everybody doesn't have a typewriter ...

G Exactly.

M That's true...

2:40:00

M. How're you doing?

G. Good

M. I don't have much time either.

G. -That's okay, shoot. How things going with you?

M. Pretty good. I have some questions that I need (tape goes out for a few words) to take back to the guys, cause we're like, wanting to roll now.

G. Good

M. Like wanting to move on this. The first thing I want to ask you though is, did you tell Samuel and Corydon about us?

G. Nope

You didn't say anything to them about us. You mentioned to me last time that you'd talked to them and I'm, we're concerned that this is getting out of hand. You know, too many people?

2:44:00

G. Yeah, I don't think there's any (unintelligible few words and tape goes out for a second) is right now. Corydon called me and said he heard that, that I might know something about a take over and I said I know absolutely nothing and I said, however, I think it behooves each of us on the outside, to realize there has to be a transition at some point and that sooner or later there's gonna be a shift and we all should be thinking of how that should indeed be happening and what it should be like afterwards and that each one of us should be creating that so I said, I have no specific knowledge, I have none what-so-ever, however, something has to happen, so I let them know that, yeah, they can always talk to me and that I dealt with varying particular positions outside the organization. Obviously every time I talk to those guys you know, there's an exchange of information but they know nothing that I could deduce about you guys. They contacted me cause they thought I'd know something. Now there are a lot of people who have been told, not by me, but, you know, you guys won't keep the lid on it very much longer.

3:00:00

G. Well, Dan's sister told of least 3, maybe 4, maybe more people.

M. Right.

G. Okay.

M. Yeh, we know about that.

G. (Unintelligible few words) It's obvious that, that's the only leak that I know of of any significance.

M. Okay. Just don't you tell anybody without us knowing who you're going to talk to and what you're going to say.

4:00:00 G. No, no in fact, in each case, they contacted me to get information and I said, listen, frankly, I don't believe all that. I really don't have any so I tell them I don't have any, however I've also told them that I'm glad you've contacted me, because I consider you, you guys, part of a network and frankly, you're, you both ought to be thinking. You know, the status quo can't exist, what are we gonna do, so that everyone that I talked to I nudge along that direction but as far as names, no one will ever at any time will ever get a name out of me.

M. Okay. But it's not just names, in fact...

G. Or even the existence of you guys.

M. Right, exactly.

G. You know, probably alot of people know. Probably, I would say that, in the Scientology world, people are so bored and they are so starved for excitement that they pass this shit around like, you know like...

M. Okay, but we just want to make sure that, you're not passing around to anybody unnecessarily or doing anything that would damage our security.

4:00:00 G. No, in each case, like with Dave Jordan, Dave Jordan heard a particular rumour, I went out and saw him. Dave Jordan heard a rumour that Dan may be a, double agent for the organization.

M. Right.

G. I went out specifically to disprove that thing and I let him know that, listen, Dan simply doesn't, Dan doesn't have anything going with the organization.

M. Good. OK.

G. And, and I let him know that everytime you talk like that you put his life at risk, because the organization has a lot of heavies working for them, no one on this side's going to hurt Don.

M. Right, that's exactly right, -okay, that's fine. I just wanted to make sure that was all cool.

G. I do, I do what I can. I'm as sensible as I can, it's on my mind the whole time, so take it from there. By the way, no one will ever get any names, any communications, any times, any dates or anything out of me, that's just the way it is. I'll go to prison before I ever talk, okay. So you have to know that, because they're wanting to depose me every couple of months. I'm simply saying no, anyone I talked to that's, that has nothing whatsoever to do with this lawsuit, the causes of action in my lawsuit began in 1969 when I was enticed into the Sea Organization and it ended in 1981, or they actually they continue on because you guys have continued to harass me but you...

M. Not us, hey!

G. No. I'm telling you what I would tell them in deposition, but they don't get anything else, go ahead.

M. Okay, so that, that's fine, we have an agreement on that point.

G. Right. And you guys also have to have your agreements worked out between yourselves too, like, I don't know who knows I'm involved but, I'll deny it!

M. Okay, well, we haven't said anything either.

G. Good. Good.

M. I mean we're the ones that...

G. The only reason I would deny it is for your guys skin, there's nothing with me because I don't give a shit.

M. Right, okay. Now. On this suit, we've gotten some legal advice on this, we've been doing quite a bit of work to gather the data and there's a, there's some points that are real concerning about this on specifically there are three criminal charges in there. There are 3 specific things that are laid out as criminal charges and our advice is that if we don't have the facts to support that stuff, we're not going to be able to make any sort of TPO stick in a hearing for preliminary injunction.

G. Okay

M. Who

07:00:00 G. Whoever wrote it. Simply because, number one, the thing about Flynn, I don't give a fuck you know, Flynn is not guilty for one thing and the second point of that is, you don't take money which is supposed to be used for charitable purposes and use it to defame and scandalize (unintelligible word or two).

M. The point, the point I'm trying to get across is that, that's not criminal that's the, that's the civil complaint in there and that would have to be proven.

G. Show me the line you're talking about

M. Well, it's over here.

G. Where are the ... We don't have to prove a goddamn thing, we don't have to prove shit, we just have to allege it.

10:00:00 M. Yeah, but if we're, like, this is a little different sort of circumstances, like, if we allege stuff right, then we're not in the same position like where you were, where you had a whole trial, you were like, you know, you even said yourself that, that the position you were in was, you know, the Church is not believable to anybody, it's like, you know, it's got a very bad reputation, that puts you in a position where the burden of proof moves over to that side. We're not in that position because we are the Church.

G. You are the Church, but you guys are dedicated to the cleaning up of the Church, and if you can simply name, these are the guys who have control, they should not have control. We are the Church and we should have control, and they have used this money illegally, because simply because they should not do that. It all has to do with expenditures of money nobody gives a fuck about criminal things, in all, whether or not the money is being used correctly, whether or not the people who are in fact in control are doing it legitimately.

11:00:00 M. Yeah but, see the thing is what, what, our advice is that in order to make the injunction a hearing for a preliminary injunction stick, there's gotta be some like criminal stuff, that would get it going to be up shit's creek.

G. Listen, here's my understanding of the way you guys are in the organization. What, how do you propose to remedy that, I can't. I told you what I can do. You know.

that he's , you know, the guy's a courageous, he's a strong, he's a funny man, and that's about it. It was extremely fair, and all this shit about comments he made about them is so much horse pucky. More bullshit, more lies by their fucking scurrulous attorneys. It's just pure, god, it just disgusts me that attorneys are that fucking low. The organization's got them. I gotta go.

M Me too.

63:00:00 G Listen, if somebody can't get out on a regular basis, see if um, I don't know. (mutter) See if Joey's got a ...And just as an aside, tell them that this is absolutely the last time they get to check me out to see whether or not they trust me.

M Okay.

G After this they can go fuck themselves. Tell whoever the kingpin is that.

M Okay, we'll be in comm (GA is at a distance:) I want to talk to an attorney. I think it makes a lot of sense. Pass the word.

M Okay. Drive safely.

G Yeah. Bye.
