The new OT
Civilization
awaits you . . .

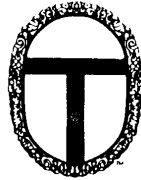

NEW OT VIII

TRUTH REVEALED[™]

“You will enjoy New OT VIII when you do it. It is uniquely addressed to you.

“... it is up to YOU to get up the Grade Chart and through New OT VII, Solo NOTs[®] and avail yourself of this new discovery.”

from Ron's Journal 39, 31 December, 1985

THE FIRST ACTUAL OT LEVEL

New OT VIII is the first of the actual OT levels, leading pre-OTs into the limitless horizons of Operating Thetan. It opens the sky, not only for the individual but for the actual fulfillment of the Aims of Scientology.[®]

Delivered only by the Flag[®] Ship Service Organization in a truly OT environment aboard the Sea Org Motor Vessel Freewinds.[™] Since the release of this stellar level, New OT VII completions have been flooding to the ship for their next step to total freedom.

New OT VIII, Truth Revealed, awaits you on the Freewinds. Wherever you are on The Bridge[®] take your next step towards total freedom and full OT.

New OT VIII completions are announced nightly in the elegant Starlight Cabaret where they share their wins from the first of the actual OT levels.

NEW OT VIII SUCCESS STORIES

“This level was GREAT! In some ways it validated my knowingness. In other areas it cleared up some considerations so that I am totally free of them and I can already see the wonderful effects that this is having. I have gained a tremendous certainty of self. From this viewpoint of certainty I can now expand and create across the dynamics!”
L.C.

“I found myself being ARC, being Life, being Love and being able to BE all the Dynamics. I love all people now. I immediately can see the beauty of other beings and I've no barriers to them any more. I feel totally cause and full of energy and I can't wait to jump into and play big games to clear this planet!” W.C.

THE FAMOUS SHIP-ONLY OT HATTING COURSES

At any point on The Bridge any Scientologist™ can come to the Freewinds and take the ship-only OT hating courses. These unique courses are available only on the Freewinds, the perfect OT environment to gain the skills to be much **more at cause**, increase your abilities and expand across all your dynamics.

These courses, based on LRH™ tape lectures, train you on the understandings you need as a being to really use OT abilities. The only prerequisite for these courses is the Student Hat™ Study Course. These courses are delivered in the beautiful and theta Academy in the OT environment of the Freewinds.

ROUTE TO INFINITY SUCCESS STORIES

"In taking this course, I have changed, to the improvement of my dynamics. I am more at cause and at ease with myself and feel more ARC for myself, my dynamics, other beings and their dynamics. The data is simple but powerful!" L.V.

"It was interesting taking this course and listening to the New OT VIII wins. Many times I would be on this certain part of theory during the day, then at night the New OT VIII Comps would share wins that sounded a LOT like what I had just studied! I could really duplicate their wins! This is really an OT Hating Course!" K.M.

UNIVERSES AND THE WAR BETWEEN THETA & MEST COURSE

THE TIME TRACK OF THETA COURSE

I can't imagine not having done the OT Doctorate Course, Anatomy of Cause Course and the many other courses which stabilized me as I moved up." F.R.

"I came to the ship this trip because I felt trapped by a situation in life. Once here I signed up for the Anatomy of Cause Course. If you are familiar with the course, you know that it contains a lot about traps.

THE PERCEPTION OF TRUTH COURSE

THE CREATION OF HUMAN ABILITY COURSE

"Listening to the first tape on Perception of Truth, Ron talks about '... going up the pole: It is the achievement of ecstasy without knowledge.' Wow! What a cognition I had on that! It's like going up The Bridge to New OT VIII, like I have done, but not doing the OT Hating Courses along the way.

COURSE

IRON HUBBLARD

A BRILLIANT OF VIEWPOINT ON TRUTH

GET THE ABILITY TO CLEARLY DIFFERENTIATE TRUTH FROM LIES!

DO THE THE PERCEPTION OF **TRUTH** COURSE

IN THE OT³ ENVIRONMENT OF THE *FREEWINDS*!

On this course Ron describes the Q's - "the common denominator to all experience which we can now view", and "the highest level from which we are operating". He describes the Logics and discloses a method of thinking which an OT can use to approach infinite rightness as a being. It contains data from Ron on knowledge, rationality, truth, self-determinism, problems, solutions, creation, destruction, the infinity of values and much more! This course trains a being on understandings that are vital for anyone in really using OT abilities.

"The datum I am giving you first appeared on earth eighty-two hundred years ago. The analogy of knowledge and the pyramid. They've been stumbling about with it ever since...

"...if you could envision, then, our datum here, you can see that we're dealing with something which can be found in every scrap of knowledge or action or material or space or time or beingness of any universe."

L. Ron Hubbard

THE PERCEPTION OF TRUTH COURSE

SUCCESS STORIES

"This course has been very special and has reached me close to home in a very practical way. Life consists of a series of evaluations to resolve the problems and activities of life. My life has recently included several very complex situations involving legal and financial authoritative gobbledygook.

"This course has given me the theory on how to sort out these situations and exact (relative) data to apply.

"I now have the necessary logic to be able to think - and so resolve these - and many other problems and/or solutions in life."

M.G.

"The data on this course is extremely valuable and relevant to me right now. I had never really studied the Logics before this, but have realized how useful they are specially in the area of dissemination and handling individuals who have data on subjects like *Scientology*.

"I have developed a lot of ARC for the Logics and know that I will use them a lot to continue expanding across the dynamics. Thanks to the team who make the delivery possible and to LRH especially."

THE ROUTE TO INFINITY COURSE

BASED ON TECHNIQUE 80 LECTURES BY

L. RON HUBBARD

Der Weg zur Unendlichkeit Kurs setzte meine Füße nicht nur fest auf den Weg zur Unendlichkeit - er hat auch meine Liebe zum Training rehabilitiert und er gab mir eine unwahrscheinlich große Einsicht in Leben, Theta, Menschheit, Thetans, Körper und die Entscheidung zu "sein."
Es ist eine OT* Trainingsaktion - mein ganzer Dank gilt dem größten OT von allen!

N.J.

Der Weg zur Unendlichkeit ist genau das Richtige. Ich glaube, er wurde für mich gemacht. Er handhabte 2 große Ruins, die für mich grundlegende Mißverständnisse waren - eines war, ich hatte die verrückte Idee, dass es nicht OT war zu SEIN!
Nun das ist gehandhabt. Ich habe Spaß daran alles zu SEIN, was ich will.
Der andere Gewinn war, "Anstrengungen" und "Gegenanstrengungen" zu verstehen und zu wissen, wie man damit umgeht. Das ist der Schlüssel zu meiner Freiheit.
Danke!

C.K.

Wow! Der Weg zur Unendlichkeit Kurs ist total OT. Er setzt dem OT seinen Hut auf, er macht eine Person mehr OT!

Die Daten sind sehr einfach, aber mit deren Anwendung steigerte ich meine Fähigkeit, mein ARC, meine Beingness und das Leben auf einer beständigen Grundlage zu halten. Ich habe auch die Fähigkeit anderen Personen zu helfen, deren ARC, Beingness und deren Leben zu verbessern und sie die Emotionskala empor zu bringen. Die Verwendung dieser Daten ist der wahre Weg zur Unendlichkeit für jedermann!

Vielen Dank der FSSO, der Flag* Ship Crew, den großartigen Supps, dem Freewind™ Kursraum und speziell LRH™, der möchte, dass wir für immer SEIN werden.

L.D.

Der Weg zur Unendlichkeit Kurs ist ein perfekter Gefährte zum Auditing auf "New OT VIII." Die Gewinne verdoppeln sich nicht einfach. Die Gewinne vergrößern sich exponential (sie multiplizieren sich zu riesigen Gewinnen).

Ich kann nicht hinreichend beschreiben, wieviel ich durch diesen Kurs gewonnen habe. Es ist der Weg zum vollen OT auf allen Dynamiken und der Weg ist klar und einfach. Für mich ist OT letztendlich volle Reaktivität. Ich kann LRH und seinem großartigen Sea Org Team nicht genug danken.

L.B.

Ich bin sprachlos! Man ist wirklich OT, wenn man es wirklich "SEIN" möchte.

Dieser Kurs und das gleichzeitige Erleben der Gewinne der "New OT VIII" Abschlüsse reicht vollständig für mein Kilometergeld aus, hinauf, hinauf und hinauf und um zurückzukommen hierher für mein eigenes New OT VIII.

Ich bin extrem ausgekeyt und das ist alles was ich dazu sagen kann.

Dieser Kurs ist unglaublich hilfreich für JEDES Wesen. Er gibt einem Wesen die WERKZEUGE zu SEIN!

Das ist ziemlich wichtig, wenn Du realisierst, dass eine Person etwas in der falschen Art und Weise tun kann und somit nicht die erwarteten Resultate und Postulate im Leben etc. bekommen kann. Diese Werkzeuge sind so machtvoll und Du fühlst Dich total gehütet, wie man SEIN und auf allen Dynamiken expandieren kann. Du bist plötzlich mehr Ursache als Effekt. Falsche Daten verschwinden so schnell. So manch unnötiger Abfall löst sich aus Deinem Universum. Du bist das, was Du auswählst zu sein, ohne Comm-lag.

ARC ist konstanter, weil Du verstehst eher Ursache als Wirkung zu sein. Die Grundlagen, hier sind gewaltig, aber sehr einfach. In vielen Gebieten, an die ich denken mußte, gab es einfach Mißverständnisse auf den Gebieten des "Seins." Es ist nicht einfach in Wörter zu fassen, aber ALLE Wesen jeder Fallstufe sollten hierherkommen und diesen Kurs machen. JETZT! Unendlichen Dank an LRH und die wundervollen "Beings" in der FSSO.

J.I.

DER WEG ZUR UNENDLICHKEIT

JETZT ERHÄLTlich IN DEUTSCHER SPRACHE!

**Dieser Kurs basiert auf den Tonband-Kassetten
der Vortrags-Serie: Der Weg Zur Unendlichkeit
Von L. Ron Hubbard**

Beschaffen Sie sich OT[®] — Daten und erfahren Sie wie man Barrieren auflöst und höchstes ARC erreicht!

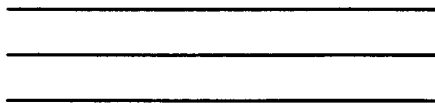

Die sieben grossartigen Vorträge, die Ron in Phönix, Arizona, im Mai 1952 gegeben hat sind nun Teil dieses Kurses, der NUR auf dem Schiff geliefert wird. Im ersten dieser Vorträge sagt Ron u.a.:

“Diese Technik bringt Dich dazu auf den Dynamiken zu einem Punkt hinaufzukommen von wo aus Du theoretisch über eine beachtliche Distanz hinweg mit etwas in Kontakt bist und beinahe alles SEIN kannst. Und wenn ich sage, beinahe alles SEIN können, dann meine ich, Du könntest ein Eissschrank oder ein Cadillac oder irgendetwas anderes sein, wobei Du immer noch Du selbst bist. Hört sich fantastisch an, nicht wahr?”

“Wie kommt man dahin? . . . Wir haben diese Symbole des Kreises, des Dreiecks, der Unendlichkeit und des Nichts. Das sagt Dir eigentlich schon alles, was Du wissen solltest, zusammen mit einem Dutzend weiterer Linien und einer Menge Erklärungen. . . .”

Dieser dynamische Kurs beinhaltet Geheimnisse des Fortschritts eines Wesen bezüglich seines Weges vom Nichts in die Unendlichkeit und wie die höchsten Höhen auf allen Dynamiken erreicht werden können. Kommen Sie ganz schnell auf die Freewinds[™] und machen Sie diesen Kurs!

Der Kurs: DER WEG ZUR UNENDLICHKEIT ist einer der speziellen Schiffs-Kurse, die nur auf der Freewinds erhältlich sind. Diese Freewinds-Kurse, die auf Vorträgen von L. Ron Hubbard[™] basieren und oft neu herausgegebene Vorträge in Kassetten-Form beinhalten, trainieren Sie im Verstehen der Wichtigkeit, dass Sie als Wesen die Fähigkeiten eines OT's tatsächlich einsetzen. Die einzige Vorbedingung zur Teilnahme an diesen Kursen ist der Abschluss des Studenten Hut's.[™] Ausserhalb dessen können all die schiffseigenen Kurse überall auf der Gradkarte eingeschoben werden. Sie sind nicht davon abhängig ob man schon einen OT-Level gemacht hat oder nicht.
