Gentlemen:

We are enclosing our printing of what appears to be a Communist manual on Psychopolitics.

This was compiled from Communist sources for use of our research department and people.

It may be that we will also use this in anti-Communist campaigns.

As there is evidently a copy of Psychopolitics in full view in the Library of Congress, you evidently do not classify this subject.

We have been seriously hurt by Communists and Communism and we see nothing wrong in our using their tactics against them.

RECORDED-9

Should you run into this manual on how to brainwash people you will now be able to recognize it as printed and distributed by an anti-Communist group for their research.

INDEXED - 9

Yours very truly,
