

**COMPUTER SPACE JAZZ  
THE MUSIC OF THE FUTURE IS HERE NOW...**

For the first time, the soundtrack of a book is being created.

**L. RON HUBBARD'S EPIC  
BATTLEFIELD EARTH  
The Saga of the Year 3000.**

You've seen the technical developments in Star Wars, ET, and Tron.

Now HEAR state of the art computerized jazz of the space age, as played by Chick Corea and the Golden Era Musicians at the Battlefield Earth Exhibit at the US Festival today.

**FREE CASSETTE RECORDING OF YOUR OWN VOICE PLAYED AS COMPUTER MUSIC.**

Your voice will be played as computerized music and presented to you on a free cassette to take home and enjoy.

FESTIVAL INFORMATION HOTLINE: (800) 662-6336

Come to the Battlefield Earth Exhibit booth just inside the main gate. (Copies of cassette limited to available facilities and time.)

**HEAR CHICK COREA**

Jazz Great Chick Corea will appear as part of the Battlefield Earth Demonstration Saturday at 1:00 pm.

L. Ron Hubbard's music is knocking them out at the US Festival with "Space Jazz," the first soundtrack for a book.

Also come hear: The B-52's, Fleetwood Mac, Santana, The Police, and many others, at this multi-million dollar music computer extravaganza.  
**RUSH, IT IS NOT TOO LATE!**
