**Ken Gerbino** - Nationally prominent investment counselor and financial commentator, Beverly Hills  
"I have found Scientology has helped my business and personal life. It is a complete, thorough, workable and enjoyable religious philosophy. It has allowed me to become more aware and productive and I recommend that anyone who would like to improve his life study and read books on this fascinating subject."

**Timothy Bowles - Attorney, Portland**  
 "My career as a lawyer was largely an outgrowth of my purpose to improve society. I was inspired to do this by my grandfather, who was a high official in the Kennedy administration.  
 "Scientology has helped me align my work with the aims of social justice and freedom within the law."

**Geri Bossen - Pre-school director, Portland**  
 "Life is fun when you're successful at doing what you really want to do. The skills Scientology has given me in the areas of communication and handling children have made the profession I've chosen very rewarding."
